Phil 2310
Fall 2010

Assignment 2: due 9/13

This homework is due by the beginning of class on Mon, Sept 13th (this week there are only electronic portions).

Chap 3: The Boolean Connectives
Read pp. 67-89. Section 3.8 is optional (but interesting)
Do: 3.5, 3.6, 3.12, 3.13, 3.21

Chap 7: Conditionals
Read pp. 176-187. Section 7.3 is optional (but probably helpful). Section 7.4 is optional and a bit more of an advanced topic.
Do: 7.10, 7.12

Chap 4: The Logic of Boolean Connectives
Read pp. 93-113. Sections 4.4-4.6 would be helpful though no assignment problems are taken from them.
Do 4.1, 4.2, 4.12, 4.17, 4.21, 4.22, and also Do: 7.4-7.6 (will be easier after reading chapter 4).
