Reading questions #17
Due Thur, June 28th

1) Read Kwame Anthony Appiah's "Why there are no human races." First, briefly summarize in a few sentences Thomas Jefferson's views on race. Why does Appiah spend so much time talking about Jefferson? (Hint: think about the linguistic division of labor).

2) After reading the chapter, come up with a question that you want answered or a topic that you would like to be discussed. This could be something that the chapters forced you think about or it could be something that you thought was particularly confusing in the chapters.
